

Any word on the 2011 close out party?

Posted by 944Racer72 - 03 Jan 2012 12:52

Happy New Year!

2012 first race is fast approaching!

A new electric go-kart place over here in Santa Clara just opened if that is a convenient idea for everyone. I know many of you live more toward the other places, anything is fine by me.

I can stop by the new place if we are interested in using them and see what kind of deal I can work up.

Looking forward to seeing everyone and getting started on the 2012 season!

Happy New Year to you and all the NorCal 944 Family.

I'm good for anywhere we want to gather or could host a potluck here at the house if needed.

If the place in Santa clara is better for everyone else I don't mind making the drive down. I haven't been on a bike ride thru the hills of Los altos/Saratoga in a long time and wouldn't mind making a weekend of it.

Hi Everyone! Happy New Years!

I sent email out to all our racers already but this is a open invite to join us for our annual 944-Spec awards luncheon at Umigo Indoor Kart racing Sunday January 22nd from 11:30am-2:30pm. Please rsvp to me at

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

with:

- a. the number of people for lunch
- b. the number of people that want to race in the karts.

lunch will be a pot-luck hosted by our 944 racers.

kart racing will be a mini grand prix format of practice/qualifying and a grid, green flag drop race. The cost for the kart race is at a group rate of \$40 (regularly \$50).
