

WE NEED ANOTHER CAR AT NATS!

Posted by dpRacing Dan - 16 Oct 2014 20:03

Guys, I'm hoping we can drum up atleast one more car for Western Nats. 14 is pretty weak. We had 14 at Eastern Nats and Eric was able to persuade one more car to take the green, DOUBLING the prize money! If you can think of someone who might do it, help out everyone that's racing at Nats and get them to sign up!
