

Buttonwillow April 16 & 17

Posted by dancing944 - 04 Apr 2016 13:05

944 Spec Racers, don't forget to sign up for the first race of the season at Buttonwillow. We're going to get the whole gang paddocked together again, like we did at Willow Springs. Fun times.

Can you chime in if you're going?

Simon and Mary are at the track and say the least row is already filling up. Looks like everyone wi have to find a spot on their own.

Just heard from Simon. He says he will save space a little more towards the tire shop. I will be up there about noon tomorrow. Just look for others in the class. We'll figure out a good area.

Hey guys,

Kim and I just want to say that we had a great time this weekend and really enjoyed seeing old friends and meeting new ones! Also the racing was fun.

It's weekends like this that remind me why I chose 944 spec and make me not want to give up racing. I

look forward to seeing you guys again soon, maybe Fontana but most likely Buttonwillow again. Now you guys have to come to my turf so I can redeem myself on track! Chuck, you have a reason now that your son has a car!

Thanks for all the hospitality and will see y'all again soon!

Ron

Ron, it was great to have you join us. Really good turnout. Really good racing. I agree that was exactly why we do this.

Sometimes when I tell someone who doesn't race that I do this, they ask if I win prize money. I haven't yet figured out a really good way to explain to them that I gain something much more valuable. If I won prize money, this would feel like a job. I'm having way too much fun for that.

I like your idea of joining you guys in Nor Cal. Perhaps at Sonoma in September?
