

For Sale: Brand New Fire Suppression System

Posted by Litespeeds - 29 Nov 2016 09:01

I have a brand new fire suppression system that I bought from IO Port Racing that I never used. This retails for \$439.95 and I will sell it for only \$300 if picked up in San Leandro, CA or I can ship it for \$325. Please email me at

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

Here is the kit that I bought.

How old is it?

Wish I had seen this last week when I was in San Jose!!!!!!

I bought it around 2009 or 2010. You can always call Ken at IO Port Racing and ask him if there are any changes in the system from then till now.
