

Free: 1983 complete suspension - Arizona

Posted by Grenadiers - 10 Feb 2017 10:59

Swapped out the original(needs rebuild of course) suspension on my '83 944, and am giving it away. Has older Bilstein shocks and inserts, 250# Weltmeister lowering springs. Includes calipers, control arms, etc. Located in Prescott, AZ. Not separating the loot. Also, includes two sets of CV axles, the short variety for the steel rear swing arms.
