

## Great deal on Car Trailer w/ Tire Rack

Posted by Litespeeds - 22 Sep 2008 03:35

---

Thought I'd let somebody know about this great deal I saw on Pelican Parts. This is the exact same trailer that I own minus the tire rack. It is a Carry On Trailer and new it is around \$2,000+ depending upon if it is a single axle electric brake or dual. Only problem is it is in Ohio area. Here is the link: <https://www.pelicanparts.com/showthread.php?t=431699>
