The	South	าeast's	Newe	est Car
Posted	by Brian	Evans - 03	Jan 2012	18:41

Saturday, January 14th we will start the build on the Southeast's newest car- a red 83.

Build party thread is here:

www.944spec.org/944SPEC/forum/southeast/...-party-in-cumming-ga

We will start by pulling the engine, replacing the head and rod bearings, gutting the interior and rebuilding the hydraulics.

More to come...
