2011 changes? Posted by JB3 - 06 Sep 2010 22:45

Is there intended any discussion of possible changes for the coming year (2011)?

John

We're taking some time to hash out the significance, and precision of the Traqmate as a tool in rules compliance before we bring options to the table. Nothing will be implemented (if anything) before there's a public discussion, input taken, and questions answered.

How many cars in 944 had a traqmate? I know mine did, just curious.
