

2013 Season Opener - MSR-H

Posted by AgRacer - 07 Jan 2013 11:27

Thought I would start a thread for our season opener next week end. I plan on arriving at the track Friday morning to get my annual and participate in the T&T. Phil H. plans on doing the same. Kilyn and Phil F. are out. Anyone else going or have plans to? Is our fearless class leader even still racing with us?

It seems so early...

I wish it wasn't so far away, or else I'd come watch.
