Posted by Timwold - 19 Jul 2016 12:18

Never too earlier to plan for Hallett.

The class looks to be growing in the region - recently a long time 911 racer bought a SP1 car and a Cali racer moved to Dallas so we should have some new faces this year.

Please post if you plan on attending

- 1. Todd Imwold**
- 2. Chris Blazer**
- 3. Steve Coomes**
4. Greg Hutmacher (if Blazer get his car finished)
- 5. Stacy Virden**
- 6. Ryan Virden (if Blazer get his car finished)**
- 7. Julie Bailey**
8. Jim Hicks (from Cali)
9. Brad Boyd
- 10. Terry Morris**
- 11. Dave Nelson**
- 12. Jeff Lent - Rental**

Nine racers (bold) have signed up as of 09/14

I am new to Dallas area from Cali and should be there.

I will probably meet a lot of you at Texas Speed world in Sept.

Jim-

There probably will not be any of us at TWS in September. There are very few 944s that run NASA in Texas.

But we are up to 10 probably at Hallett with several more that will probably be there.
